Whitehead's Trogon

@ Yeo Siew Teck

After a successful 06 days 05 nights birding tour in Sarawak 02 years ago ~ the **Dulit Frogmouth, Bornean Frogmouth, Hose's Broadbill, Black Oriole, Whitehead's Spiderhunter, Mountain Serpent Eagle, Blue-banded Pitta, Rail Babbler, Dayak (Hill) Blue Flycatcher, Eyebrowed Wren-babbler, Hook-billed Bulbul, Scarlet-breasted Flowerpecker** and others, Tsai Mu-chi couple wished to clean up some of their left over species in Borneo so we went for a week to Brunei and Sabah Kinabalu Park. They brought along their 02 grandchild and 02 friends (Mdm Yang & daughter) to experience the excitement of the birding tour in this part of the world.

Good enough we managed to get their key target species ~ the **Fruithunter, Everett's Thrush, Whitehead's Broadbill, Red-breasted Partridge, Crimson-headed Partridge, Mountain Wren-babbler, Eyebrowed Jungle Flycatcher, Sunda Frogmouth, Reddish Scops Owl, Striped Wren-babbler, Grey-chested Jungle Flycatcher and Black-throated Babbler**. In the meantime we also got some other good birds for the kids and Mdm Yang & daughter which included **Whitehead's Trogon, Bornean Stubtail, Bornean Shortwing, Pale-faced Bulbul, Bornean Green Magpie, Mountain Black-eye, Golden-naped Barbet, Bornean Banded Kingfisher, Hook-billed Bulbul, Garnet Pitta, Brown Wood Owl, Red-crowned Barbet** and others..

Next, Mdm Yang formed a group of friends for a 15 days tour (Sarawak and Sabah) in year 2021, but hope the country's border is opening as usual soon...
